yes, if you could touch base with Linda, that would be great. It was Jim who indicated via email to Martin and me that he planned to set something up for today...

Ayn there was nothing on Martins schedule about this meeting with Jim. Do you want me to set something up?--Francie 312-7836

Linda, Martin asked me to touch base. We had an update meeting scheduled for Monday with Jim that he had to postpone- he indicated he was looking to reschedule it for Wed, but we haven't heard anything further. Can you let us know if it is being rescheduled? thanks.
